INSTRUCTIONS FOR SENDING DOCTORAL PROPOSALS

Doctoral students who wish to participate in the CLADEA Doctoral Colloquium must send their proposals considering the following guidelines:

1. You must not include your name anywhere on the document.
2. The text of the doctoral proposal must not exceed 6500 words (all included: References, tables, and figures). Any document that exceeds this limit will not be considered for the review process.
3. The text must be written in Times New Roman 12 font, 1.5 spacing and 6pts spacing between paragraphs.
4. All proposals submitted must cover the following aspects:
 - a. Abstract (15-20 lines)
 - b. Research problem and question
 - c. Research objectives
 - d. Literary review and/or concept framework
 - e. Methodology
 - f. Expected outcomes (proposal in preparation) or preliminary findings (proposal in execution)
 - g. Discussion and conclusions
 - h. Bibliographical references

ON THE TOPIC OF THE PROPOSAL

When saving the files into the system, please consider the appropriate thematic axes:

- Administration and Organizations,
- Economics and Finance,
- Marketing,
- Operations and Logistics,
- Information Technologies,
- Innovation and entrepreneurship,
- Others: must specify the thematic axes which are different from those mentioned above.

REQUIREMENTS TO PARTICIPATE IN THE DOCTORAL COLLOQUIUM

PhD students interested in participating must have a reference letter from their advisor stating that they are participating in a doctoral program, and it must be signed by their doctoral thesis advisor. It must include: Name of the Institution, name of the doctoral program, name of the doctoral degree to be obtained, Name of the thesis advisor, email address of the advisor.

After having the complete documents, must register in the following form <https://survey.zohopublic.com/zs/wBCzGq> along with the contact information requested. This form must be completed by May 31 2023.
